

## Mathematical & Computational Science Elective Approval Form

This form is to be used when requesting faculty advisor approval for elective courses not listed on the MCS list of [program-approved electives](#). MCS requires one elective to be from the list of program-approved electives. The other chosen electives should be at the 100-level or higher and at least two departments should be represented in the three electives chosen (i.e. you may not use 3 CS courses for electives but you may use 1 Math course and 2 CS courses).

### PROCEDURE:

Fill out the information requested below along with the description of the course from [ExploreCourses](#). Return this form to MCS Student Services, Sequoia Hall 124
