When Honors Work is Complete

➤ Final report is due by the last day of classes of the quarter the student expects to graduate (minimum 1 page).

I hereby authorize the MCS program to use my summary in future program materials.

The student must attach the final version of their final report and unofficial transcript when requesting the form to be signed by their faculty advisor.

Complete a final report which should:

1. Include their name, degree and the title of their work.
2. Be typed with 12pt font, single-spaced, minimum 1 page (no longer than 2 pages) with a one-inch margin at the top and bottom of each page.
3. Final report should explain a theme between the student's coursework, their interests, and how they relate to MCS.
4. Describe how each course selected added to the student's knowledge and understanding in the area chosen for concentration.

I acknowledge that I have met all of the MCS Honors requirements as stated in the [Stanford bulletin](#) and accept the [Stanford Honor Code](#).
